ADMINISTRATION FACULTY

BOARD OF DIRECTORS

Members of the Board: (L-R) Dr. Clifford Babbitt, Chairman, Roseburg; Kenneth Knetchel, Sutherlin; William Markham, Riddle; Charles Dowd, Canyonville; Wayne Crooch, Roseburg; Fred Booth, Yoncalla; and Ray Coffenberry, Myrtle Creek.

After a board meeting, Mr. Jacoby discusses some of the evening's business with KQEN reporter, Jim Macke.

The conference room is used for meetings of advisory committees and several local groups, as well as the college Board of Directors.

Dr. Babbitt, Board Chairman, welcomes visitors at the dedication of the new college buildings.

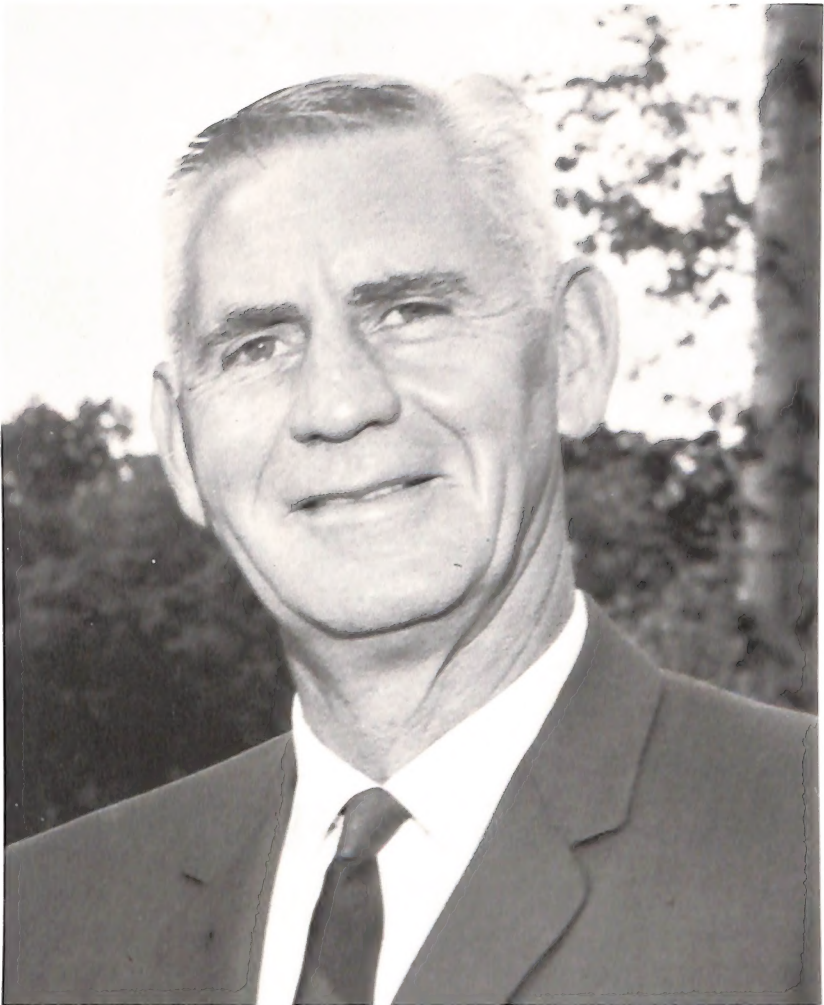

President's Message

The class of 1968 has earned many distinctions. The class is the fourth to be graduated but the first to attend classes on the newly completed campus. It is the largest class to earn degrees and diplomas. The honors and awards earned by the students this year have been impressive.

This summer we will be watching the start of construction for Phase II, consisting of two buildings to house the vocational-technical programs. The completion date is Fall, 1969. Plans are going ahead for the completion of Phases III and IV which we hope to have ready in 1970 or 1971.

As President of your college, I salute the class of 1968 and wish each of you continued success.
